

The Prayer Of Initiation

Gifted to us from the Lady Mary received through Judy Humphreys

*May the love of God come forth now into this space, into our minds
and into our hearts*

*In this stillness let the word of God speak so that all might hear
and come into the presence*

Be At Peace

Be At Peace

Be At Peace

*May all those beings of light and love from the many mansion
worlds of God join with us now and support us on our journey*

*We call upon the Great Illuminator, The Buddha and the supreme
Avatar of Love, The Christ, to overshadow us now with their
blessing*

*We call upon the spiritual hierarchy and all who are aligned with
God's will and God's light to surround us: the Elohim, the
Archangels and the Cosmic Angels, the Ascended Masters, the
Devic Kingdom and the Christed Extraterrestrial races, who seek
to fulfil the Divine Plan on Earth and in the Heavens*

*We welcome you and ask that we are uplifted and guided by your
loving presence.*

AMEN
